Monday 8 May – Friday 12 May 2017

<p>School News</p> 	<ul style="list-style-type: none"> • Door Monitors – historically door monitors have been Year 6 pupils here at Central CE Academy. In light of reducing pressures on our children and looking after their well-being we are going to be ending this from today. This will enable all of our children to be outside playing and socialising with their friends. Year 4 toilets will be the only toilets to be used and these will be monitored by a member of school staff. • School Nurse drop-in workshop on anxiety (4th May) – feedback from one of the parents who attended: <i>‘I found this workshop incredibly useful with practical tips and coping strategies with recognising and dealing with anxiety in our children and ourselves. – the school nurse was very knowledgeable and information – thank you Central’.</i> • Leadership responsibilities in the school – in order to help develop responsibility in our younger pupils, Year 4 are taking the lead in setting up for our Act of Worship (Assembly). • Learning Environment – you will start to see a difference in our learning environment. Our front reception area now reflects our Christian ethos and values. It provides an interactive area for our children to use linked to our worship focus. Throughout the school new displays are being created. Watch out for these new displays when you next visit us in school.
