Dear Parents and Carers

Following on from our introduction of the Raising Attainment and Accelerating Progress Plan, as you know, we have been working in school on a variety of initiatives to improve our childrens' learning and engagement in the curriculum.

We would like to apply this focus to our outdoor environment in order to improve its appearance. We are going to be working on our school grounds on Saturday 30<sup>th</sup> September 2017 from 9.00am until 12.30pm. Supporting us will be the Revd Paul Collins and some volunteers from the Immanuel Church. The focus of this work is to:

- Paint the outdoor classroom
- Clear and prepare the allotments
- Weed the beds at the front of the school
- Paint the PTA shed

Refreshments will be provided.

If you are able to come and help and bring some tools, please complete the reply slip below. If your child would like to join you they are very welcome, but they will be your responsibility.

Thank you for your continued support.

Yours sincerely

Mr Chris Kronda
