Dear Parents

School Gateway is the school's app available on Android, iOS and the web. It will work on phones, tablets, laptops and even smart watches. We currently use the School Gateway to send communication to parents by e mail or text.

Help us save money by downloading the School Gateway app

If you have a smartphone, you can help us save money by downloading the School Gateway app from your app store (Android and iPhone). By doing this we can send you app messages (avoiding the cost of texts) and you can send messages back for FREE.

It's quick and easy to do. All you need is your email address and mobile number that the school holds on record for you. If you have trouble logging in, please contact the school office on 01243 783709.

If you do not have a smartphone, you will still receive text messages from the school.

Yours sincerely

Mrs Lisa Hardy
Headteacher
